Title	Very good	Good	Sufficient	Poor
<p><b>3.</b> How do you assess the <b>information materials</b>? Did you get enough information about life in Jihlava/Telc?</p> <p><b>Comment:</b></p>				
<p><b>4.</b> How do you rate your <b>accommodation</b>?</p> <p><b>Comment:</b> My room accommodation was ok just that I had no internet there unless I go to the restaurant to use the internet. Sometimes in the evening you want to be in the room to do other work but since there is no internet it was hard.</p>		#		
<p><b>5.</b> How do you assess the <b>meals during your internship</b>?</p> <p><b>Comment:</b> My meal was not that ok, I was asked to eat breakfast dinner and lunch at the hotel i was sleeping. This was impossible because the restaurant opens at 10 am. I am supposed to be at work at latest by 9 am. So I am not able to eat breakfast. I also do not eat pork, which means the only meal i was able to eat there which was nice was potatoes and chicken or meat. But it was not ok since sometimes the meat taste like it's been in the fridge for long, so it has no taste. I also could not eat potatoes every day, I got tired of it. Until I informed the coordinator and i talked to the hotel owner and they decided to give me that money to buy something outside, the money was not enough but I have to manage it myself. I was later given lunch at work which helped alot.</p>				#

<p><b>9.</b> What is your opinion of the <b>internship as a whole</b>?</p> <p><b>Comment:</b> The internship as a whole was perfect and despite the problem with the meal, I will still do it all over again. Thank you guys ☺</p>	#
